

**SOUTH BURLINGTON SCHOOL DISTRICT  
POLICY F12**

**TRANSPORTATION**

**POLICY**

Where it is reasonably necessary, the South Burlington School District will furnish transportation on public roads to students who reside within the city of South Burlington. The district may provide transportation to nonresident students as authorized by the Board.

**IMPLEMENTATION**

The Superintendent will establish routes and designate stops after considering both the safety of children and efficiency of operation. The Superintendent will consider the following factors when determining routes and stops.

- 1) The age and health of pupils,
- 2) Distance to be traveled,
- 3) Condition of the road, and
- 4) Type of highway.

The Superintendent may consider any other factors he or she deems appropriate when establishing routes and designated stops.

The Superintendent shall submit to the Board for approval any contracts, leases or purchases necessary to maintain and operate transportation equipment, and shall include in his or her annual report to the board information as to all pupils transported by the school district and the expense thereof.
